

DEPARTMENT OF ENGLISH GRADUATE STUDIES
ONTARIO GRADUATE SCHOLARSHIP APPLICATION 2024-2025

DEPARTMENTAL DEADLINE FOR SUBMISSION: The deadline for ALL Department of English OGS submissions (Domestic & International) is 5:00 pm Friday, January 19, 2024.

The Ontario Graduate Scholarship (OGS) program is administered by individual universities. The University of Toronto is responsible for the awarding of the Ontario Government Scholarships held at U of T, and provides a centralized on-line application which is accessible via the School of Graduate Studies website. (Note: Students must submit an OGS application to each institution for which they are seeking admission. OGS awards are NOT transferrable from one university to another.)

At the University of Toronto the OGS application form is on-line and available directly from the School of Graduate Studies (SGS) website: <https://www.sgs.utoronto.ca/awards/ontario-graduate-scholarship/>

1. Students are limited in the number of years that they may hold an OGS. Master's students may receive the scholarship for a maximum of 2 years and doctoral students may receive the scholarship for a maximum of 4 years. No student can hold the award (or a combination of SSHRC/OGS awards) for greater than 6 years during his/her lifetime. **Please see the SGS website for more information about restrictions and to determine if you are eligible to apply for and hold an OGS award.**

2. Applicants must be in good standing with the Ontario Student Assistance Program (OSAP). Applicants who have defaulted on a Canada or Ontario Student Loan or have failed to make satisfactory repayment on a loan overpayment are ineligible. Students who have never applied for OSAP are in good standing.
3. Applicants must be Canadian citizens, permanent residents, or protected persons; also, foreign students who are studying in Ontario under a temporary resident visa (student study permit) are eligible for a set number of International OGS awards. Applicants must be registered or intend to register in an eligible program on a full-time basis. An eligible program is defined as a full-time program of study of two or three terms at the University of Toronto leading to a graduate degree. A full-time student is one who is in at least 60% of a full course load (40% for students with a permanent disability) or as defined by their institution.
4. At minimum, applicants must meet the OGS academic requirement of an A- (80%) average. If entering the first or second year of graduate studies, at the time of application the student must have an overall average of at least A-, or the equivalent, on the last 20 one-term/semester courses, or the equivalent, completed. If the student is entering the third year of graduate studies, at the time of application the student must have an overall average of at least A-, or the equivalent, on all graduate courses completed. If master's or doctoral degree marks used for calculating an applicant's grade point average (GPA) are not available (for example, courses were graded on a pass-fail basis), then the university will use the most recently available undergraduate or graduate marks to calculate a student's GPA.
